I (we) offer to **supply ventilation equipment and to carry out the construction work necessary for the installation of mechanical ventilation in the premises of the industrial building for the planned start-up of a new production line for converting PET flake into pellets.**

for a total price:

net: PLN/EUR/..... *(NB: to be completed in case of other foreign currency)*

gross: PLN/EUR/..... *(NB: to be completed in case of other foreign currency)*

VAT rate%

of which:	NET PRICE (PLN/EUR)	VAT (%)	GROSS PRICE (PLN/EUR)
ventilation equipment			
ventilation system			

Please note that the sum of all elements listed in the table must correspond to the total price indicated above the table.

I/we confirm that **the execution of the subject matter of the contract will take place until 2024**
(Attention:

*it should be borne in mind that, in accordance with section 8.1 of the Request for Proposals, the contract must be completed by **15 November 2024 at the latest**).*

I/we confirm that the subject matter of the contract will be **guaranteed** for a period of.....months for the works, and a guarantee for a period of.....months on the equipment

(Note: it should be borne in mind that, in accordance with paragraph 3.10. of the Request for Proposal, the minimum required

the warranty period shall be 24 months for the construction works and 24 months for the equipment, respectively, from the date of completion of the subject matter of the contract indicated in items. 8.1. and 8.2. of the request for proposal).

I confirm that:

- mark the completed installations according to the provisions of the PN-88/E-08501 standard "Safety signs and plaques";
- we use building materials that have the appropriate approvals: the Polish quality mark "B" or European Union "CE";
- we will use equipment (cabinets, switches) adapted to the application of the LOTO system;
- we will provide technical supervision on site (minimum site manager) as required by the Building Law;
- we will carry out all work, especially work at height, while maintaining the applicable B.H.P. regulations;
- we will carry out all work in accordance with the art of construction on the basis of the "Technical conditions for the execution and acceptance of construction and installation work";
- use construction tools and equipment that are appropriate to the work to be carried out;
- we will use safety and protective devices;
- we will take measures to protect workers and members of the public;
- we will successively remove, during the course of the work, all elements which may endanger the safety of the persons carrying out the work and members of the public;
- in terms of final acceptance, we will check and confirm with a signature on the acceptance protocol the compliance of the works with the technical documentation and any changes and deviations, confirmed by appropriate entries in the Construction Diary, as well as compliance with specific regulations, relevant standards and technical knowledge, the quality of the completed works, leakage tests on all installations.

I confirm that:

- all equipment, objects, construction and other materials necessary for the execution of the contract are on our side;
- we will leave the aforementioned items in the location and premises indicated by the Contracting authority,
- we undertake to carry out the construction work in a "clean" manner
- we shall leave the premises after installation of the subject of the contract in a condition no worse than the existing one, including cleaning up all waste, debris, rubbish etc. at our own expense and risk.

We enclose with our offer a preliminary schedule for the execution of the subject matter of the contract and the documents resulting from Chapter IX of the request for quotation.
